

LaCie Little Disk, Design by Sam Hecht

Hi-Speed USB 2.0

**Mini Size.
Mega Capacity.**

Integrated USB cable for
100% mobility and autonomy

Take It All With You

Now you can carry your files, photos, and music in a mini storage device for sharing with friends, family and colleagues wherever you go. As small as a lighter or matchbox, it's very convenient for bringing with you in your pocket thanks to its tiny, lightweight form. The portable Little Disk with colossal capacity for its minimal size was designed exclusively for LaCie by the world-famous designer Sam Hecht.

Convenient Data Shuttle

The elegant Little Disk features a high-gloss black finish and clean, simple lines. It comes with an integrated USB connector and a removable cap for added protection. USB 2.0 powered, this minuscule hard disk easily works without the need for a cable or cumbersome power supply. It's a great way to back up, archive and exchange files whether you're at home, at the office or traveling. An optional USB 2.0 extension cable is included for extra convenience.

Backup & Synchronization

Bring your important data with you safely thanks to the bundled LaCieSync: Synchronization & Encryption Software (Windows). Just plug it into any PC to access and modify your files, emails (Outlook) or browser settings and it will sync your updated data back to your office or home computer - protected by AES 128-bit encryption. LaCie '1-Click' Backup Software (Mac & Windows) and SilverKeeper Backup Software (Mac) are also included.

Simple 1-Step Installation

With just one simple step, this plug & play, driver-free hard disk couldn't be easier to install. Just plug the integrated USB 2.0 connector into any laptop or desktop with a USB port and begin to use it. Compatible with Windows 2000, XP, Vista™, Mac OS X 10.2 or higher, and Linux 2.4 or 2.6, it's very versatile. It comes pre-formatted for use across multiple platforms.

- Back up, synchronize and secure your files & settings
- Carry up to 40GB of data in a hard disk the size of a lighter
- Integrated USB connector – no cables needed
- Exclusive, elegant, glossy black design by Sam Hecht
